please observe the following rules.

Actions causing a nuisance to other monorail users are prohibited. Onboard the monorail is still a public place and we ask that all passengers refrain from causing a nuisance to other users.

- * We understand that conversations at travel locations can get excitable. Animated conversations can be an annoyance to other passengers who may be reading or sleeping. Please remain quiet when in the rail cars.
- * Please do not eat or drink onboard the monorail.
- * If traveling with children, please supervise them at all times.
- * Please lower the volume on your earphone if it is loud enough that the people around you can hear it.
- * Smoking is prohibited onboard and within the premises of the stations.

Priority Seating Etiquette

Seats designated as priority seating are reserved for the use of the following passengers:

- * Elderly
- * Physically challenged
- * Passengers with infants
- * Pregnant women or those wearing a maternity mark.

*The above are examples. Please refrain from all actions which may cause discomfort or nuisance to the other passengers.

[How to buy a ticket]

- * Look at the train line diagram and the fare table to confirm your destination and fare amount.
- * Stand in front of the automatic ticketing machine and insert money.
- * Observe the options on the screen and touch the screen to choose your destination.
- * If you are traveling with children, select the **こども** option.
- * Take your ticket from the dispenser below.
- * We also offer one day passes where you can ride as many times as you like in one day.

[How to use the automatic gates]

- * To proceed to the platform, insert the ticket in the receptacle in front of the gate.
- * The ticket will exit on the other side of the gate.
- * Take the ticket and make your way to the platform.
- * Use Free Passes and other types of ticket the same way as regular tickets.
- * You will be required to use tickets, passes and cards the same way when exiting your destination station so please ensure that you keep your ticket with you while you travel.

Suggested Area

**Furujima Station –
Shuri Station**

The scenery before your eyes!

Yui Rail runs through Naha at a height of 8-20 meters and provides an excellent view. From the train windows enjoy a rare scenic view.

Furujima Station – Shuri Station

Beginning at Furujima Station to the terminal stop at Shuri Station, the tower supports for the trains reach their greatest height of 20 meters. Because of this riders can enjoy views of downtown Naha and the East China Sea and, weather permitting, you can even see as far as the Kerama Islands.
